IOWA STATE UNIVERSITY
Meat Science
Each day the course begins at 8:00 a.m. and concludes by 5:30 p.m. with breakfast, lunch and breaks included. There will be social functions each evening to allow participants the opportunity to interact with each other as well as speakers and industry professionals. The course will conclude at noon on Thursday, January 23, 2020.

The short course focuses on the technology of cured meat production. Topics range from lectures on basic meat science to demonstrations of processing techniques. Speakers, nationally and internationally recognized authorities in their fields, will provide information about the latest technology available.

This short course is designed for persons with supervisory, production, technical, and marketing responsibilities in commercial meat processing operations.

Enrollment for this course is limited to 60 so that the participants have ample opportunities to interact with speakers and staff and have their questions answered. Iowa State University’s modern Meat Laboratory allows participants to observe demonstrations utilizing the latest technology.
**AIRPORT TRANSPORTATION**

Included in your registration is transportation between the Des Moines Airport and the Gateway Hotel in Ames. Transportation can be requested when you register or by emailing mwenger@iastate.edu. Following are a few things to note regarding this service:

- **We only offer the service on Monday, January 20, 2020 (Des Moines to Ames) and Thursday, January 23, 2020 (Ames to Des Moines).**
- If you will be arriving or departing on alternative dates and require shuttle service, we suggest you make a reservation at a hotel near the Des Moines Airport and we will pick-up/drop-off there. Please notify us if that is your intention.
- The shuttle on Monday, January 20, 2020 is scheduled on an as needed basis.
- For those participants requesting transportation to the Des Moines International Airport, the shuttle will depart the Gateway Hotel & Conference Center at 12:30 p.m. on Thursday, January 23, 2020.
- You should not schedule your departure flight prior to 3:00 p.m. on Thursday, January 23, 2020.
